

The Knightsdale Pool is now open. The HOA has a few free pool passes left from last year. Send an email or call Pat our property manager for details. First come, first serve basis. Pool is open Monday-Sat 11am-6.30pm and Sunday 12pm-6pm. Pool is closed to public on Friday July 2 and August 13. Check the Town website for details.

YARD SALE In JULY

If anyone is interested in joining Sherri at 206 Mingocrest Drive for a yard sale on **Saturday July 10, 2010** please contact her at 919.889.2955. Sell some of your stuff, meet your neighbors and have some fun. The HOA will help with signage and post information on our website and the local newspaper. If enough people participate, we can have a "COMMUNITY" yard sale.

The posted speed limit within the Timber Ridge subdivision is 25 MPH. Slow down while driving and be cautious. Our kids are playing, riding their bikes and running around. Be aware that speeding in the subdivision can cause you and others serious injury or danger. Be prudent and if you see anyone speeding through our subdivision you can turn in their license plate number to Public Safety or provide the information to our property manager, Pat Hendrix. Your information will held in the strictest of confidence.

Last week a review was done of newspapers left in driveway past the required time frame. The Eastern Wake news has been notified to remove delivery from these addresses. There were fifteen [15] homes that will no longer receive the paper with only one [1] being a vacant house for sale. If you have questions or issues regarding this implemented change, contact Pat. Little things make a big difference in the look of our neighborhood.
