

Timber Ridge HOA, Inc. Fall Newsletter

Thank you to all homeowners who have been maintaining their properties by cutting grass regularly, trimming trees and shrubs, pressure washing homes and repairing fences and mailboxes.

We need volunteers to become part of the Board of Directors and the members will need to elect a new President of the HOA. We hope you will consider joining the current Board to make positive changes in our HOA.

ANNUAL MEETING

The yearly HOA meeting will be held on Wednesday October 25th 7 p.m. in the Public Safety Building. We will have two Town staff members joining this meeting to discuss code enforcement and the construction behind the homes on Mingocrest. Hope to see you there.
